

OUR CHURCH FAMILY

FIRST CHRISTIAN REFORMED CHURCH

2024-2025

Mission Statement of Hull 1st CRC

Hull First CRC is a fellowship of believers in the Lord Jesus Christ, called to be His disciples. We meet together to worship God, to learn His Word, to pray, and to educate and train for spiritual growth and Christlike service. We encourage and care for one another in love, and witness to others...all to the glory of God.

“Enter into his gates with thanksgiving and into his courts with praise.” Psalm 100:4

SERVICE GROUPS FOR FUNERALS

The following funeral groups coincide with our church's care groups. While working together as a Care Group, we can show our compassion to grieving members of our church family.

OVERALL COMMITTEE

Shari De Wild (470-4259)
Kay Kroese (439-1576; 578-1095)

- *The Funeral Director assists the family with the arrangements needed for the lunch.
- *Shari or Kay will contact the Group Co-Chairpersons in charge of the funeral.
- *Each chairperson should refer to the instructions included in the directory.
- *The chairmen are in charge of contacting the ladies to work from her funeral group.

- *If you cannot work, you must find your own substitute.
- *If you work, you are also asked to bring a cake.
- *In respect to the family, proper attire should be worn when working.

head of a serving committee for a funeral in our church, we wish to give you some advance notice of the responsibilities you will have.

When we call you, the funeral director will have given us the date and time of the funeral. He/she will also have an estimate for the number of people expected to attend the funeral and food requests.

1. You will call the ladies in your group. Inform that they are to work. If they cannot work, it is their responsibility to find their own replacement - not you. They should come in about 1 to 1.5 hours before the service (depending on the preparation time for lunch).
2. Groceries, including buns, can be ordered at Hull Fareway (1-888-742-6582). Hull Fareway does not have a delivery vehicle as of yet. Thus one of the co-chairpersons will need to pick up the groceries. Cakes are to be purchased. If the family requests Casey's Bakery cakes, Casey's Bakery will need to be called to order the cakes and delivered to Hull Fareway. Full sheet cakes have 64 pieces, ½ sheet cakes have 32 pieces, and ¼ sheet cakes have 16 pieces. Casey's Bakery's phone number is 722-2551.
 - a) You can figure 1.5 hamburger buns per person on the estimated number to attend. Request the hamburger buns to be cut. If the family requests rusk buns or krimp breads, then it would be more than 1.5 rusk buns or krimp breads per person.
 - b) Meat according to the family's requests.
 - c) If Lay's potato chips are requested, order the Family size bag and you can figure approximately 2.5 bags per every 25 people.
 - d) Real butter.
 - e) Styrofoam dinner plates (with 3 sections-not cake size)-1 per person
 - f) Styrofoam cups-1 per person
 - g) 3 pound container Decaf coffee
 - h) Lemonade (8-10 gallons of a minimum of 1 gallon per 20 people)
 - i) Ice for pitchers of lemonade and pitchers of water

If the family requests any other food, we will inform you.

Oolman Funeral Home provides napkins and placemats. Porter Funeral Home does not.

****All orders should be charged to the funeral home.**

3. The day of the funeral, you will need to:
 - Prepare the buns.
 - Cut the cakes and set a variety on large trays.
 - Prepare any other food the family requests to be served.
 - Roger and Mary De Groot prepare the coffee in the large coffee maker.
4. If the family has requested tables, you can have trays of buns, cakes, etc. set on the tables for family style serving. Roger and Mary can give you more detailed instructions on this.

OR – if tables are not set up:

When the family returns to the basement, serve the immediate family with trays of buns, cake, and drink. Out of courtesy to the family, do not serve anyone until after the family has been served. After the family is served, the rest of the people can pass by the two windows and pick up their own food.

5. Remember to go around with extra buns and drink.
6. Clean up duty starts after the people are served.
7. Please get a list of the names you did not use from your group to Shari De Wild or Kay Kroese. We can use them at a time when we have a large funeral. You can leave this list in our church mailboxes.

If you have any questions, feel free to call Shari De Wild (712-470-4259) or Kay Kroese (439-1576 or 712-578-1095). Thank you for helping the family who has lost a loved one.

SEVERE WEATHER WARNING PROCEDURE

If a severe weather warning is issued, and it is decided to cancel the service, the cancellation will be broadcast on KDCR (FM 88.5) Sioux Center and KSOU (FM 93.5) Sioux Center. If we are under a severe thunderstorm warning or tornado warning within an hour of the beginning of the service, church will be cancelled.

WORSHIP SERVICE INSTRUCTIONS

If severe weather occurs during a worship service, the following procedure will be followed:

1. If local weather spotters are paged out for severe weather during a worship service, the service will continue; but the deacons will begin assisting those who have trouble with stairs down to the basement.
2. If civil defense sirens sound during a worship service, the Minister or civil defense committee will direct the evacuation of the sanctuary.
 - a. At that time, the elevator is OFF LIMITS.
 - b. Everyone is to take a hymnal or Bible from the pew along with them for protection from flying glass.
 - c. The front half of the congregation will proceed down the NORTHEAST stairway to the basement.
 - d. The back half of the congregation and those in the balcony will use the SOUTH stairway in the narthex.
 - e. Everyone will use the center aisle to stay away from the windows. An orderly procession from pew, one row at a time, will clear the sanctuary much faster than if all try to get in the aisle at once. Use of the NORTHWEST stairway is not recommended.
 - f. In the basement, the congregation should first proceed to fill up the safety areas marked "1" (see diagram). When these are full, fill area "2" then "3" and finally if there is need use area "4", forming a semi-circle starting at the west edge of the hallway and staying at least 10 feet from east windows (men around the outside, women and children in the center). The Sunday school room and the west half of the large room are **NOT SAFE AREAS**.
 - g. All will get in a crouching position on their knees with a hymnal or Bible for a head covering to protect from flying glass.

INSTRUCTIONIS FOR SOCIETY MEMBERS:

For meetings held during the week, day or night, it is the responsibility of the leader or president to cancel the meeting. If there is a severe warning issued, these weekly meetings should always be canceled because the town is not aware of the weekly meeting schedule, and may not call to warn of severe weather. Cancellations should be broadcast over KDCR, Sioux Center, and KSOU, Sioux Center.
